EOCRN Exceeds 1,000 Request Mark

Launched in October 2020, EOCRN has received 1,010 requests from members.

Current membership is at 420 individuals representing 111 organizations.

EOCRN has successfully filled 62% of requests since 2020.

New Message When Posting Requests

When posting a new request, EOCRN users will now see a new message if they have current requests waiting to be filled.

If the user has previous posted requests, this reminder provides an opportunity to review the request.

Users have the option to

1. Leave the request open;
2. Extend the deadline date;
3. Close the request if it has been filled.

The addition of this message will help keep requests current and the site updated.

If you have any questions, please reach out to Susan at EOCRN@oregonbhf.org.
